## 第三期活化計劃公布

景賢里、虎豹別墅、必列啫士街街市和前粉嶺裁判法院已被列入第三期活化歷史建築伙伴計劃(活化計劃)之內，文物保育專員辦事處由2011年10月7日起邀請非牟利機構提交活化建議。

第一期活化計劃由發展局於2008年首次推出，是行政長官於2007-08年《施政報告》公布的新文物保育政策下的一項重要措施，而第三期活化計劃則是這項政策的延續。

發展局局長林鄭月娥說：「我們推出了3期活化計劃，第一期及第二期共9個活化項目現正於不同的發展階段。除了一年前開始在前北九龍裁判法院營運的薩凡納藝術設計學院香港分校外，我們預期有1個項目在2011年年底完成，而在2012年會有4個、2013年有2個，2014年則有1個項目完成。」

林太補充說：「公眾能夠進入及享用項目，是活化計劃的重要元素，獲選的營運機構應容許市民免費參觀這些歷史建築，而建築物的部分地方更可改建為博物館或展廊，以彰顯建築物的歷史價值。」

## Batch III of Revitalisation Scheme Revealed

King Yin Lei, Haw Par Mansion, Bridges Street Market and the Former Fanling Magistracy are on a recent selection list under Batch III of the Revitalising Historic Buildings Through Partnership Scheme (Revitalisation Scheme). The Commissioner for Heritage's Office (CHO) is inviting revitalisation proposals from non-profit-making organisations starting from the October 7, 2011.

Batch I of the Revitalisation Scheme was first launched by the Development Bureau in 2008 as one of major initiatives under the new heritage conservation policy announced by the Chief Executive in his 2007-08 Policy Address and Batch III is the continuous effort of the government in implementing the policy.

"We have launched three batches of buildings under the Revitalisation Scheme. The nine projects selected under Batch I and II are at different stages of development. Apart from the Hong Kong Campus of the Savannah College of Art and Design (SCAD), operated from the former North Kowloon Magistracy completed a year ago, we expect one project to be completed before the end of 2011, four projects in 2012, two in 2013 and another one in 2014", Secretary for Development, Mrs. Carrie Lam said.

"Public access and enjoyment are key considerations in the Revitalisation Scheme. Selected operators should allow the public to visit the historic buildings free of charge. Part of a building could also be converted into a museum or exhibition gallery to reflect the building's historical value," Mrs. Lam added.

活化景賢里項目會有數個特色，項目會採取「最少干預」的模式以保存景賢里的主樓，讓公眾可欣賞其建築特色及復修成果。政府會容許於泳池位置興建與景賢里現有建築物及四周環境協調的新構築物，為營運的社會企業提供更多可用樓面面積，以支持其議擬的活化再用計劃。

負責策劃修復景賢里的廣州大學建築與城市規劃學院湯國華教授，已應邀擔任活化歷史建築諮詢委員會的特別顧問，就活化景賢里的文物保育方案提供專家意見。此外，發展局將舉辦展覽，展出獲活化歷史建築諮詢委員會列入候選名單的活化建議，讓市民表達意見。

發展局已於11月為這4幢歷史建築舉辦開放日及工作坊，讓有意申請的非牟利機構能更了解這些建築物，以及申請手續和有關要求。

申請指引、表格、載有4幢建築物歷史背景及保育指引的資料冊，以及其他有用資料，現於中環花園道美利大廈21樓活化計劃秘書處備取，亦可於www.heritage.gov.hk下載。

截止申請日期為2012年2月6日中午12時。

The revitalisation of King Yin Lei will see a number of special characteristics. A minimum intervention approach is being adopted to preserve the main building for public appreciation of its architectural features and the restoration efforts. New structures that are visually compatible with the existing buildings and the setting of King Yin Lei will be allowed at the swimming pool area to provide additional usable area in support of the proposed adaptive re-use by the social enterprise.

Professor Tang Guohua of the School of Architecture and Urban Planning at Guangzhou University, who has masterminded the successful restoration of King Yin Lei, has been appointed as a special advisor to the Advisory Committee on Revitalisation of Historic Buildings (ACRHB) to provide expert advice on the conservation aspects of the revitalisation proposals received for King Yin Lei. Members of the public will also have an opportunity to express their views on the revitalisation proposals shortlisted by the ACRHB through an exhibition to be organised by the Development Bureau.

Open days to the four historic buildings and a workshop were arranged for interested non-profit-making organisations to learn more about the sites as well as the application procedures and requirements in November.

The guide to applications, the application form, the resource kits containing the historical background of the four buildings and conservation guidelines, as well as other useful information, can be obtained from the Scheme Secretariat at 21/F, Murray Building, Garden Road, Central, or at <http://www.heritage.gov.hk>.

The deadline for submission of applications is noon on February 6, 2012.

## 文物保育國際研討會2011：「保育與發展—是敵是友？」

發展局文物保育專員辦事處將於2011年12月12及13日假香港會議展覽中心，舉辦主題為「保育與發展—是敵是友人？」的國際研討會。

這個為期兩天的研討會旨在提供機會，讓來自13個國家和地方(包括澳洲、法國、日本、澳門、馬來西亞、英國、美國、中國和香港)的400名學者、學術界及業界人士，就城市的文物保育進行深入的經驗交流。

配合國際研討會的舉行，我們亦會為公眾舉辦一項名為「古蹟周遊樂」的相關活動，讓市民可欣賞到本港16幢別具文物價值而又風格各異的歷史建築。這些獲選的歷史建築，展示了政府與其私營合作伙伴在文物保育方面的各種運作模式和努力，令市民加深對政府保育工作的認識。此外，我們亦會在香港文化博物館舉辦文物復修工作坊「幕後」之旅，這個將會是「古蹟周遊樂」其中一個有趣的項目。

研討會的另一亮點節目，將會是擬於2011年12月9日至2012年2月7日假香港文物探知館舉行的「竹跡·築跡」展覽。這個為期接近兩個月的展覽，將與香港中文大學建築學系合辦，讓參觀者能親臨戲棚，欣賞中國戲曲精巧的戲台裝置。

有關國際研討會及其相關節目的詳情，請瀏覽 [www.heritageconference2011.hk](http://www.heritageconference2011.hk)。

## International Conference on Heritage Conservation 2011: “Conservation and Development – Partners or Rivals?”

The Commissioner for Heritage's Office (CHO) of the Development Bureau (DEVB) will stage an international conference titled “Conservation and Development – Partners or Rivals?” at the Hong Kong Convention and Exhibition Centre on December 12 and 13, 2011.

The two-day conference, targeting 400 scholars, academics and industry players from 13 countries and places including Australia, France, Japan, Macau, Malaysia, U.K., U.S., as well as the Mainland and Hong Kong, aims at providing an opportunity for in-depth international exchange of experience on heritage conservation in the urban context.

A side programme titled “Heritage Fiesta December 2011” with a showcase of 16 selected historic buildings of diverse architectural styles with heritage significance across Hong Kong will be tied in with the international conference for public participation and enjoyment. The chosen historic buildings are meant to present different modes of operation and efforts in heritage conservation undertaken by the Government and in partnership with the private sector so as to strengthen the public's awareness towards the Government's conservation work. The fascinating “behind the scenes” tours on conservation and restoration works at the Hong Kong Heritage Museum will also be featured as part of the programme.

As another highlight of the conference week, a Bamboo Theatre Exhibition, is also in plan to be put on at the Hong Kong Heritage Discovery Centre from the December 9, 2011 to February 7, 2012. This close to two-month-exhibition is held in conjunction with School of Architecture, the Chinese University of Hong Kong for bringing the visitors to the refined production of the stage setting for the Chinese Opera.

For details of the International Conference and the side programmes, please refer to [www.heritageconference2011.hk](http://www.heritageconference2011.hk).
